MENTAL ACCURACY Greatly Improved by Leaving Off Coffee.

The manager of an extensive creamery in Wis. states that while a regu-lar coffee drinker, he found it injur-ious to his health and a hindrance to performance of his business

"It impaired my digestion, gave me a distressing sense of fullness in the region of the stomach, causing a most painful and disquieting palpitation of the heart, and what is worse, it muddled my mental faculties so as to seriously injure my business ef-

"I finally concluded that something would have to be done. I quit the use of coffee, short off, and began to drink Postum. The cook didn't make it right at first-she didn't boil it long enough, and I did not find it paintable and quit using it and went back to coffee and to the stomach trouble o coffee and to the stomach trouble

"Then my wife took the matter in hand, and by following the directions on the box, faithfully, she had me drinking Postum for several days before I knew it. "When I happened to remark that I was feeling much better than I had for a long time, she told me that I had been drinking Postum and that ac-counted for it. Now we have no cof-fee on our table.

"My discrion has been restored, and with this improvement has come retief from the oppressive sense of fullness and palpitation of the heart that used to bother me so. I note such a gain in mental strength and acuteness that I can attend to my office work with ease and pleasure and without making the mistakes that years appropriate to the property of the strength of the

were so annoying to me while I was using coffee. "Postum is the greatest table drink "Postum is the greatest trone of the times, in my humble estimation." Name given by Postum Co.. Battle Creek, Mich.
